August 9, 2017

Dear Parent(s) and Guardian(s):

Welcome Back! Hopefully, your family had a restful and adventurous summer. My name is Ms. Parris and I am your child's middle school science teacher for this academic year. I am excited to have the opportunity to get to know you and your child. Depending on your child's grade level and course selection, we will focus on the following curriculum areas:

> **6th grade science Florida NGSSS** – Units Covered: Nature of Science, Earth's Structures, Earth's Systems and Patterns, Energy, Motion, and Forces, and Organization and Development of Organisms
>
> **8th grade science Florida NGSSS** – Units Covered: Nature of Science, Earth in Space and Time, Properties of Matter, Changes in Matter, Matter and Energy Transformation

It is my goal to challenge my students academically while engaging and reminding them that science is and can be fun. I am looking forward to a happy and productive school year. Therefore, your cooperation and assistance is vital. If you have any questions or concerns, please contact me by email at parris.victoria@franklin-academy.org.

Let us work together to make this a successful year!

Sincerely,

Victoria Parris

Victoria Parris
